Dear Sid:

I was most happy to read that you intend to pay us a visit the end of the month, and we are looking forward to seeing you. There are a few questions I have which I'd appreciate an answer on if possible.

1. How long do you intend to remain in the area and what are the approximate dates?

2. Do you wish me to lay on any special conferences similar to that I did for Ed and Bob. If so, just here, up North, down South? I believe you should definitely visit up North if at all possible due to your involvement there.

3. Do you wish us to be prepared to discuss any particular subject other than the conference subject?

4. Quarters. We would like you to stay at our place. We have plenty of room. Bill H.'s plans are indefinite insofar as his being here during your stay, but if he is, he asked me to write he also would like you to stay with him.

5. Any other items not covered. Please write.

Save Monday evening, the 29th. We are having a [REDACTED] at my place for the conference group, plus a few from downtown. My best regards to Bob, Ed and all.

Sincerely,

Bob
